## PRACTICAL INFORMATION

Monday, January 18, 2010

### Registration, Tutorials, Reception

#### Location

Registration, Tutorials and Reception  
will take place at

Artur-Woll-Haus  
Room AE-A 101-103  
Am Eichenhang 50  
57076 Siegen

Please, indicate at registration, in which  
hotel you stay – this enables an easier  
arrangement of the bus transfers for you  
– and if you prefer vegetarian food – to  
prepare the delivery of lunch.

#### How to get to this place

We recommend to take a taxi. It will cost  
around € 10 from the city of Siegen.

If you want to use public transportation,  
take one of the buses from Siegen main  
station (Hauptbahnhof), for example R  
10, to Siegen-Weidenau, which is another  
railway station. From here take bus L 111  
(direction “Uni / Haardter Berg”) to bus  
stop “Am Eichenhang” (third bus stop).  
Please mind that the bus in a few cases  
takes another route to the University  
without stopping at “Am  
Eichenhang” (just ask the bus driver or  
check the timetable).

The timetable of the busses can be  
found under:  
[www.vrr.de/de/fahrplanauskunft](http://www.vrr.de/de/fahrplanauskunft)  
(Different languages supported.)

#### Parking

If you arrive by car, there will be enough  
parking space around the building.

#### How to get back to the hotel

After reception we offer bus shuttles to  
your hotel. Details will follow.

## Conference, Poster Presentations

### Location

The venue of these activities is different from those on Monday afternoon and evening. It will be:

Campus Paul Bonatz Straße  
Building I Room: PB/I 001  
Paul-Bonatz-Straße  
57076 Siegen

### How to get there

A bus will pick you up from your hotel – if you are booked in the Best Western Park Hotel, Ramada Hotel or Hotel Pfeffermuehle – between 8:15 and 8:30 on Tuesday, Wednesday and Thursday.

If you want to use public transportation, take the same bus connection as described under Monday, but continue for one more bus station till “Wilhelm-von-Humboldt-Platz” (named after Wilhelm von Humboldt, the brother of Alexander).

### Parking

A sufficient number of parking slots is reserved for the conference participants at the parking area “P1” at the Paul-Bonatz campus near the building I.

### Registration

Registration desk will be served all the time during the conference also helping you with practical questions.

### Posters

There will be enough space for the posters. 1-2 posters per poster presentation can be exhibited.

For details of arranging the poster presentation, please, contact  
[rainer.schick@uni-siegen.de](mailto:rainer.schick@uni-siegen.de)

### End of the conference

After the end of the conference there will be a bus shuttle from the conference venue to the central station of Siegen (Hauptbahnhof).

Excursion to the Krombacher Brauerei & Conference Dinner

## Conference Events

### Excursion to the Krombacher Brauerei on Tuesday

Buses will take us directly from the conference to the Krombacher Brauerei. They will take you back to your hotel at the end of the excursion.

### Conference Dinner on Wednesday

Buses will take you to your hotel after the conference. The conference dinner begins at 19:00 at the Mezzanine of the

Siegerlandhalle  
Koblenzer Straße 151  
57072 Siegen

The Siegerlandhalle is located side by side to the Best Western Parkhotel. If you do not stay in this hotel, please, arrange the transport by yourself (by taxi) or combine it with a sight seeing walk from your hotel to the Siegerlandhalle, if weather permits.

After the conference dinner you can explore Siegen's nightlife by yourself.

### THURSDAY JANUARY 21, 2010

09:00 – 09:50	G. Kramer
10:00 – 11:00	MIMO
11:00 – 11:30	Coffee Break
11:30 – 12:30	OFDM

### Accompanions

If you like to bring somebody with you to share the social events (reception, excursion to the Krombacher Brauerei, conference dinner and lunches) there will be a fee of € 100. Please, register at the registration desk.

### Weather

It is too early to say more than that it will be between -10 and +10 degrees Celsius and snowing, raining or sunny. We will update the weather forecast as soon as reasonable.
