Education:

- 1998 Habilitation (Above Ph. D.), University of Ilmenau, Germany, Dept. of Computer Science and Automation, Title of habilitation theses: Computational Intelligence for Technical Applications
- 1991 Ph. D., University of Dortmund, Germany, Dept. of Mechanical Engineering, Title of Theses: Expert System for On-line Diagnostics in Industry. Advisor: Professor H.-D. Steffens (Mechanical Engineering)
- 1986 Master of Science, University of Dortmund, Germany, Dept. of Computer Science, minor in Medicine, University of Bochum. Advisor: Professor W. Merzenich
- 1981 Pre-College, RWTH Aachen

Research Experience:

- Since 2007 Director of the Center for Knowledge Management and Intelligent Systems (KMIS), University of Siegen, Germany
- Since 2004 Head of Institute of Knowledge Based Systems and Knowledge Management, University of Siegen, Germany
- 2003-2004 Laboratory of Micromechanics (LMM), School of Materials Science & Engineering, Georgia Institute of Technology, Visiting Professor
- 2002-2003 Florida State University, Tallahassee, Visiting Professor
- 2000-2002 University of New Mexico, ACE Center (later ISE, Intelligent System Engineering), Invited Researcher
- 1998-2000 University of Ilmenau, Institute of Software Engineering (Substitute), Professor
- 1995-1997 University of Dortmund, established a CI & Image Processing Group
- 1994 University of Paderborn, Institute of Information Systems, Invited Chair Professor (Substitute)
- 1991-1994 University of Dortmund, Associate Researcher
