

Discover your Opportunities at Allianz

Intern (m/f) in Integrated Performance Mgmt. & Controlling

Together with its customers and sales partners, Allianz is one of the strongest financial communities with a presence in over 70 countries. Around 83 million private and corporate customers rely on Allianz's knowledge, global reach, capital strength and solidity to help them make the most of financial opportunities and to avoid and safeguard themselves against risks. Our ambition is to be the partner of choice – with excellent employees, top-notch operating performance and the necessary financial strength. Join us to be part of our community!

Allianz SE is the global headquarters of the Allianz Group. Our employees reflect the Group's geographic and functional diversity. Located in Munich, Allianz SE provides the perfect opportunity to start or continue with your international career.

Your new duties and responsibilities

Integrated Performance Management & Controlling (IPM&C) is the central unit of Allianz that measures and tracks the operational performance of its worldwide operating entities (OEs). Central to this strategic task is the analysis of operating costs and productivity through a global benchmarking of the largest OEs.

Key Responsibilities

You support the team in their daily work, e.g.:

- Build-up, use and interpretation of monitoring tools with cost, quality and productivity KPIs
- Check of data on consistency/plausibility and analysis of meaning for OE performance vs. internal and external peers
- Support of interactions with executives from OEs to understand and validate data
- Assist in preparation of materials for OE and Group management on benchmarking results

This is a great starting point for you to get to know the insurance industry and the worldwide entities of the Allianz Group. In addition you will acquire valuable analytical skills. You will work independently with guidance from senior project managers and your personal mentor.

Additional Information
