

Student Assistant Employment Opportunity
at the
Chair of Sociology of Health and Healthcare Systems, University of Siegen

One temporary position available on or after December 1st, 2014 and ending on or before October 31, 2015 in the DFG-funded project "Healthcare Seeking in Germany" (www.healsee.de).

As a student research assistant you will regularly support (approximately 40 hours/month) our staff in the ongoing work.

Profile

- Student enrolled preferably in Social Sciences, Economics, Health Sciences
- Outstanding English language skills, preferably English native speaker
- Previous experience with presentation and writing skills
- PC skills (office applications)
- High motivation and dependability
- Exact and diligent worker
- For foreign students: A valid residence permit

Responsibilities

- Assistance in the preparation of an English language publication
- Proof reading of English language texts
- Adapting manuscripts to the requirements of the publishing house
- Editing tables and graphs in publication style
- Literature research, acquisition and administration

We offer

interesting, diverse, and flexible areas of activities, providing ample experience both for the course of study as well as future career; insights in academic research (health and healthcare system research), and in the publication of research results.

Please submit your (electronic) application by **October 15, 2014**. Please include a covering letter in English, CV, your certificate qualifying for university entrance, Bachelor diploma if applicable, references, and a transcript of records to:
