

# Discover your Opportunities at Allianz

## Intern (m/f) in Allianz Digital Factory - Digital Customer Communication / Paperless

Allianz is the home for those who dare – a supportive place where you can take the initiative to grow and to actively strengthen our global leadership position. By truly caring about people – both its 85 million private and corporate customers and more than 142,000 employees – Allianz fosters a culture where its employees are empowered to collaborate, perform, embrace trends and challenge the industry. Our main ambition is to be our customers' trusted partner, instilling them with the confidence to grow. If you dare, join us at Allianz Group.

Allianz SE is the global headquarters of the Allianz Group. Our employees reflect the Group's geographic and functional diversity. Located in Munich, Allianz SE provides the perfect opportunity to start or continue with your international career.

### Your new duties and responsibilities

The Digital Factory Team is tasked to bring together various entities within the Allianz Group to deliver optimized customer experiences throughout existing business models worldwide. We aim to improve existing digital customer journeys and touch points and set the consumer into the center of all digital efforts. In our daily work we are intensively collaborating with colleagues from various countries in an international and multicultural setting. Together we are shaping a new way of global collaboration in an agile and inspiring setting.

#### Key Responsibilities

We are currently looking for two highly motivated, inspiring and self-organized personalities to join our team during the setup phase of this exciting effort. Your main task will be to support the project lead in varying tasks related to one of our key digital transformation initiatives: Digital Customer Communication / Paperless.

Your daily job will include tasks, such as:

- Enhancing your practical experience in project management in a highly international setting
- Planning and assisting in the facilitation of workshops with senior representatives of our operating units

### Additional Information

Reference Code: AZSE-4286150-2
