Human Resources Strategy for Researchers (HRS4R)

Dear Dr. Brach,

we are pleased to announce that the University of Siegen has finalized its "Human Resources Strategy for Researchers" (HRS4R), incorporating the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

Please find attached our application, an appendix summarizing the comprehensive gap analysis, and another presenting the action plan.

A special web presence in English has been dedicated to HRS4R on the University Website:
