## What is the European Research Council (ERC)?

The fundamental activity of the **ERC** is to provide attractive, long-term funding to support excellent investigators and their research teams to pursue ground-breaking, high-gain/ high-risk research (<https://www.eubueno.de/erc-germany.htm>).

## What is the Information Event about?

Overview of the funding schemes the ERC offers to individual researchers; the **ERC Starting Grants** (2 to 7 years after PhD), **Consolidator Grants** (7 to 12 years after PhD) and **Advanced Grants** for established research leaders with an outstanding track record. **Synergy Grants** are designed for groups of two to max. four principal Investigators.

**Prof. Dr. Otfried Gühne**, a current ERC CoG grantee, will give further insights in the application and evaluation process.
