

## Access to the examination files

---

Matriculation number:

Name:

e-mail address:

I have taken note of the fact that all copies that are made in the context of the inspection of files must only be used to identify the prospects of an appeal against the assessment of the examination or to contest the assessment. This is due to the examiner's copyright over his/her assignments and assessment of the examination. A distribution of this information, for example in social networks, constitutes a copyright infringement.

I hereby request access to the following parts of my examination file:

- Assessment of the Masters's thesis

Date
