Information on ECTS:

At the **Faculty of Arts and Humanities** there is a distinction between ECTS-credits that can be obtained in each course by completing a course requirement (Studienleistung, SL) and ECTS-credits that can be completed through an examinations/graded pieces of work (Prüfungsleistung, PL). This means that in each course students can register for 3 ECTS-credits as a course requirement and in most of the classes for additional 3 ECTS for the examination (in total 6 ECTS per course). The forms of assessment for completing the course requirement (Studienleistung, SL) are according to the examination regulation:

- Active participation in class/class discussions or
- Short written test (30-45 minutes) or
- Short oral presentation (15. minutes) or
- Short written piece of work (6-8 pages) or
- Oral exam (ca. 15 minutes) or
- Work sample/portfolio or
- Equivalent alternatives for one of the above

The course instructor will inform you about the possible options in the respective seminar. Usually the course requirement is not graded but students can request to receive a grade for the course requirement during the first session of the class.

The forms of assessment for obtaining additional 3 cp examination/graded piece of work (Prüfungsleistung, PL):

- Longer written piece of work/seminar paper (ca. 12-16 pages) or
- Written documentation of oral presentation (ca. 8-12 pages) or
- Oral exam (ca. 25-45 min.) or
- Written exam (ca. 45-120 min.) or
- A combination of the above mentioned forms or equivalent forms of examination.

Instructors will communicate the possible assessment forms in the first session of the courses.

The regular classes at the Faculty of Arts and Humanities usually take place weekly for 90 minutes.

At the **Language Center** you can see in unisono how many ECTS points can be awarded for each course. Sometimes you can gain 3 ECTS and sometimes 6 ECTS. The ECTS amount is set beforehand and cannot be changed. The courses at the Language Center are counted as course achievements in your degree programs (SL= Studienleistung).

Students must fulfill a combination of the following course requirements. Please check the specific course requirements, distributed in the first class.

- regular attendance and active participation in class; maximum of 2 missed sessions.
- Tasks submitted via moodle or completed in class
- mid-term tests
- final written and oral tests
- oral presentations
- academic papers, essays or portfolio tasks

To pass the course: a total of at least 60% must be achieved overall in the assessments.

Please note: language classes are work-intensive. Participants on our courses should therefore reserve sufficient time for studying in addition to the class hours.
