

How to apply for admission via UNISONO

For the Master of Science program

Mechanical Engineering

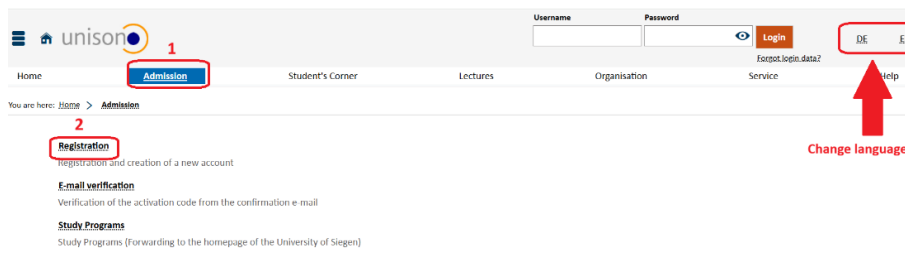

University of Siegen

The application process consists of two steps:

1. Self-registration (to get login data and a preliminary user profile in UNISONO)
2. Admission application

Self-Registration

1. you can access UNISONO via the following link
<https://unisono.uni-siegen.de/qisserver/pages/cs/sys/portal/hisinoneStartPage.faces>
 Change the language to English (if not in English) from the upper right corner. Please do not use any translation software.
2. Click on admission¹ and then registration².

3. Enter your personal data. Kindly make sure that the surname (last name) and first name are in the same order as on your other documents, as this data is printed on your admission letter in case of successful admission. Also, pay special attention to the date of birth order. It is month, date and then year.

Personal data	
* Surname	<input type="text"/>
* First name	<input type="text"/>
* Gender	<input type="text" value="v"/>
* Date of birth	<input type="text" value="mm/dd/yyyy"/> <input type="button" value="12"/> <input type="button" value="i"/>
* Place of birth	<input type="text"/>
* Country of birth	<input type="text" value="v"/>
* Nationality (country)	<input type="text" value="v"/>
Second nationality (country)	<input type="text" value="v"/>

Contact information
<input type="text"/>

- Click on the data privacy policy and click “Register.”

Data privacy policy

* I have taken note of and accept the data privacy policies listed at the beginning of this page.

Register

If you already have an account

- If you are registered with this e-mail address and you have activated your account, please use the link "Forgot login data?" or contact your university.

Enter the activation code from the welcome e-mail

- An email will be sent to the email address you added in the contact data. This email contains the username to log in to UNISONO for the next step. If you don't find the email check in the spam folder. Make sure that you have access to this email address as all future communications will be done via this email address.

Avoid changing email address during the admission process.

Welcome Ms. Faria Afzal,

we have reserved the following user data:

.....

username: ★

password: your chosen password

.....

IMPORTANT: Please remember your user data, you will need them once in a while to log in to the application portal.

- Login to UNISONO using the username provided in the email, and the password you have selected. From overview, click on “International Applicants”

Overview

Choose your portal

<p> German Applicants You are a german applicant and want to apply for or enroll in a degree program.</p> <p style="text-align: right;">></p>	<p> International Applicants You are an international applicant and want to apply for or enroll in a degree program.</p> <p style="text-align: right;">></p>
<p> Doctoral candidates You would like to register as a doctoral candidate</p> <p style="text-align: right;">></p>	<p> Range of courses If you are interested in our teaching offer, you should be able to find a lot of information here.</p> <p style="text-align: right;">></p>

7. Click “Apply” and “ Start Application”

8. Enable email Notifications.

You are here: [Home](#) > [Lecturers](#) > [Online Application](#)

* Fields marked with asterisk are mandatory and must be completed.

Enable e-mail notifications?

You will receive updates about your application or the provision of new documents by e-mail.
The e-mail notifications will provide updates about the status of your application and further details. You will be informed about deadlines.
Would you like to be informed about changes concerning your application and studies by e-mail?

Additional information...

* Enable e-mail notifications?

Yes, enable e-mail notifications

No, I inform myself independently

Save selection

9. Select the semester you wish to apply for

Semester of Application

Please select your preferred application semester

At the moment it is possible to apply for different semesters. Please select the semester in which you wish to begin your studies.

* Semester

Start application

summer term 2026

winter term 2026/27

10. Always double check that you are applying for the correct term. Then click “add a request”

Semester of Application: winter term 2026/27 - No requests 

A new semester is now available for application. 

There are no documents in your inbox yet. 

Applications in preparation

To apply/enroll for one or further study program(s) please add a request.

Please contact your advisor in the international registrar's office if facing problems.

Chosen application term: **winter term 2026/27**

 Add a request

11. You can click on the department for which you wish to apply.

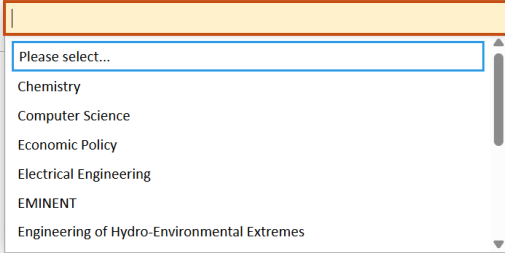

Select course of study

Once you have selected a complete course of study, you can continue with "Next". Further forms that are related to your selection will appear automatically.

Some selection fields change their options automatically depending on entries made in previous fields. If a field offers only one option, this is the only one possible - together with the previously made selections

* Degree: Master  

* Subject: Please select...

Important Information

- Only complete applications submitted on time via UNISONO will be considered.
- Please DO NOT send any documents by regular mail
- The portal is not android friendly so use a laptop or access the website with a computer.

To save time (**yours and that of others**), please consider the following before you contact the help desk:

- Do not inquire about trivial or self-evident matters. Most problems can be solved by yourself if you just think about it or check your application process yourself.
- Please read the instructions carefully and check whether you have neglected to fill in or mark the required fields.
- In case of questions, please contact international student advisor, Faria Afzal, igs.advisor@nt.uni-siegen.de
- Please be aware that during the application period the staff is busy, so it may take a while until your request is taken care of.
