

Application for a library card

(Students of University of Siegen, use of the USiCard)

Please **complete the form on PC**, print out and sign it. In order to obtain a library card you have to hand over the form at one of our circulation desks. In addition you need to present a valid identity card or a valid passport together with an official registration of your residence in Germany.

Please also present your valid USiCard.

First application / Activation of the USiCard for library use

Enrollment number incl. card sequence number (back of USiCard): _____

With the activation of this function, a previous library card becomes invalid.

Your USiCard is still valid and can be used as a library card after activation for library use until de-registration.

Activation of a new USiCard after change of name or loss.
