The annual reception for all our international PhD students and their PhD supervisors, supported by a grant from the DAAD, the German Academic Exchange Service, takes place for the sixth time. The meeting is intended as an informal get-together across all faculties, departments, seminars, institutes and chairs, to help everyone, newly arrived or not, to enlarge their network at the university.

Professor Daniel Stein, Dean of Faculty I, will open the reception with a keynote speech on the topic

Free Speech in Academia & Beyond: Life Lessons from the Culture Wars 2.0

Professor Thomas Mannel, the Vice-Rector for Research and Junior Academics, will convey the greetings of the University Rectorate.

Afterwards the buffet area will be open for the actual get-together. We are looking forward to meeting you!
