Preferences

What should we take into account when choosing your buddy?

Gender	male	female	diverse/ x	doesn't matter
Country	same country		different country	
Studies	same or similar course of study		different course of study	

Wishes/comments

By signing this document, I confirm that I would like to participate in the Buddy Program of the International Office, and I confirm that the International Office is allowed to save and process my data. The International Office will not give my data to third parties. Only my name, phone number, and email address will be shared with my buddy.

I conform that the photos taken of me during the program can be used for presentations, university marketing, social media, and other online purposes.

Open slots in the program will be given based on the order in which participants signed up. We can not guarantee that all the preferences are taken into account in the matching process.
