THE FUTURE OF PERFORMANCE

*Speeding Scientists Siegen  
Rennteam Universität Siegen*

***Speeding Scientists Siegen***

*Formula Student Racing Team*

# Formula Student

- an international construction competition
- since 2006 in Germany
- development of a formula racing car according to international regulations
- competition with over 500 universities from all over the world
- international racing events

# Speeding Scientists Siegen

- Who we are -

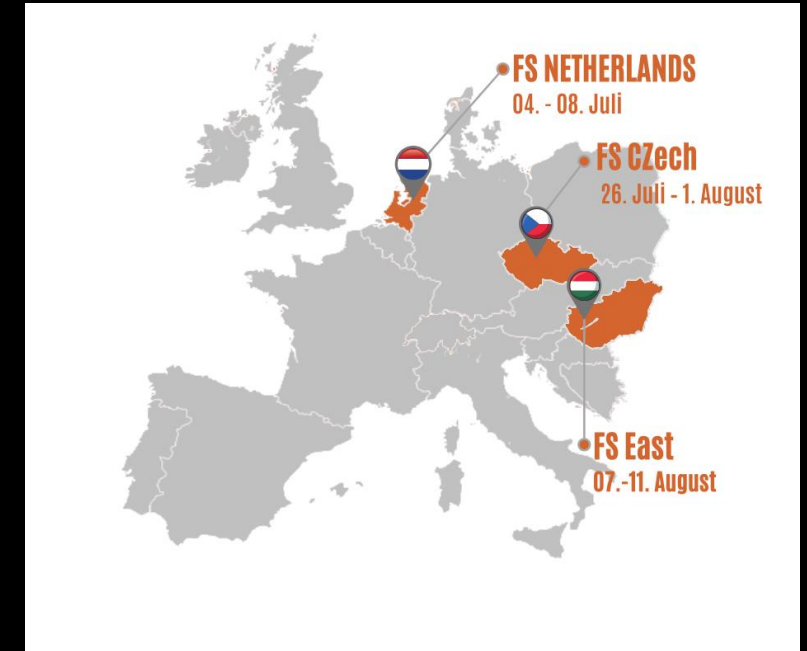

- founded in 2008, 9 race cars built to date
- since 2011 on electric
- around 40 students from different courses of study (currently from mechanical engineering, automotive engineering, electrical engineering, computer science, business administration to social work or psychology)
- together we design, build, drive and market a formula race car at different events Europe wide

# Speeding Scientists Siegen

- Experience events and racing first hand -

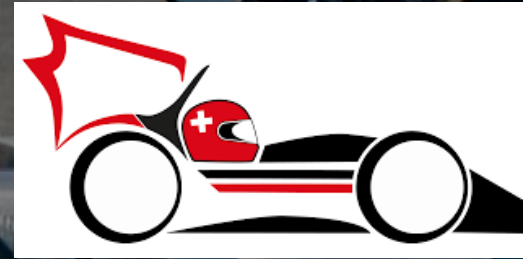

- making theory finally tangible
- realize varied and interdisciplinary concepts
- driving a prototype yourself at international events
- **2021:**
  - 3rd place in Engineering Design Formula Student Czech
  - 4th place in Autocross Formula Student Czech
  - Place 10 overall Formula Student East
  - 2nd place VDE-E Race 25h race
  - expected jump to top 75 ranking worldwide

# Speeding Scientists Siegen

- Experience events and racing first hand -

- 2022:
  - Building our 10th race car (anniversary)
  - Competing in 4 Events:
    - FSCH (Switzerland)
    - FSA (Austria)
    - FSEast (Hungary)
    - FSAA (Croatia)

# Speeding Scientists Siegen

- Learn practically -

# Speeding Scientists Siegen

- Socialise -

- internships at companies such as Mercedes-AMG or Porsche
- scientific Theses, dissertations etc. (Bachelor/Master, PEP, Internships)
- networking

# VIEW FOR 2022

- 3rd place NRW-wide (according to World Ranking)
- One-year project for new car:
  - Changeover to wheel hub motors
  - Optimization of assemblies (redesign of chassis)
  - Expansion of cooperation with companies
  - Various factory tours with our sponsors
