SUMMER SEMESTER 2022

Informationen for international students

Registration/Enrollment

All questions regarding enrollment and re-registration are answered by the department STARTING (registration@zv.uni-siegen.de).

- The registration can entirely be done online via unisono.

Further Information: https://www.uni-siegen.de/incoming/degree/application/registration/index.html.en?lang=en

Support at the start of studies

There are various offers to support you at the start of your studies:

- Take part in our [online offers](#).

- Many study programmes offer introductory events:
  - [Orientation Programs | incoming (uni-siegen.de)](#)
  - Or on the website of your study programme.
  - If you don't find any information please contact the coordinator of your study course or the student advisory service.

- Please read [these information](#) carefully. You will also find further information [here](#).

Technical support

- In order to have access to all courses and offers, you should get to know the following tools:

    - unisono = campus management system

    - moodle = online learning platform

    - VPN = virtual private network

    - sciebo = cloud of the university

unisono

UNIVERSITÄT SIEGEN

Via unisono you register for your courses.

-> This is important to get all information about the courses!

Registration:

- Username = matriculation number (will be sent to you by email after enrollment)
- Password = old password from the pre-enrollment

➔ Please have a look at the unisono presentation.

➔ You will receive help with choosing your courses in your introductory session of your study programme.

Email address

- You can activate your student email address via unisono.

This is very important as your lecturers will contact you via this email and you'll get all information via this email!

- Please use this email address also in every contact with the university.

moodle

- Moodle is an online teaching platform where course materials and exercises can be stored and submitted.

- Most digital courses take place via moodle.

- You will receive the login data with the activation of your email address in unisono.

VPN + Library

- You can connect to the university network from outside with the VPN client.

- [Here](#) you can find out how to download the VPN client.

If you have activated the VPN, you have access to all e-resources of the library of the University of Siegen (wherever you are).

sciebo

Sciebo is the free, university cloud storage for research and teaching.

➢ You can access files and synchronize documents on your end devices (computer, tablet, smartphone).

➢ You can allow others to access selected files (e.g. for group work).

➢ Further information about usage and registration can be found here.

➢ To log in, you need your g-number and your password (same as email address).

Arrival

If you are planning your arrival in Germany for the summer semester, please pay attention:

✓ Look for accommodation in time.

✓ Please be sure that you insure yourself - preferably before you arrive - with a German statutory health insurance company. You are obliged to do so!

✓ Read through all the information to get prepared:

  ✓ Campus Step by Step
  ✓ Information for international degree seeking students
  ✓ Information on the current covid situation
  ✓ Information regarding covid for international students

Questions?

- Please contact us if you have any questions or problems.

  - STARTING
  - [ISA](ISA)

We wish you a good and successful semester!!

Thank you for your attention! ☺
