

## **EUSSET – Notes by Benjamin Fonseca**

1. Maintaining some kind of connection with ACM Europe?
2. Try COST actions?
3. Improve presence in Wikipedia
4. Try to have companies funding students' participation in conferences, having them then to report and disseminate it (don't forget social media)
5. Possibility of integrating COOP with a Summer School. Regarding COOP decay, consider to change venues to touristically attractive places
6. Maybe try to connect to other organizations than ACM, regarding the multidisciplinary nature of CSCW
7. Improve visibility in social networks and Youtube
8. Try to put people with excellent communication skills in events such as TED or TEDx
9. Membership and its advantages
