

Thesis Application Form

Chair of Management, Accounting and Corporate Governance

If you are interested in writing your thesis (English or German) with us, please send the following documents to accounting@uni-siegen.de:

- application for thesis supervision,
- research exposé,
- transcript of records.

The exposé should be approximately 2 pages long and refer to a specific topic selected from the list published on the chair's homepage. It is essential that the exposé clearly reflects the relevance of the topic, along with the research questions and respective methodological approach. Proposals for original topics with a robust research exposé are encouraged. The list of accounting, auditing, and governance topics will be updated at the beginning of every Summer and Winter Term. If you are interested in writing your thesis in collaboration with company, please contact Prof. Andreas Dutzi first.

Please keep in mind, that there are no formal application deadlines. Confirmations of supervision are issued on an ongoing basis. However, we require your application a minimum of two weeks prior to the intended commencement date. The decision will be reached at the earliest opportunity and will be communicated to the applicant in a timely fashion.

I hereby submit this application for the following thesis topic and confirm that it is **binding**.
