

EXPIRATION OF THE EXAMINATION REGULATIONS FOR THE MASTER PROGRAM IN NANOSCIENCE AND NANOTECHNOLOGY AS OF APRIL, 19th 2017 (Prüfungsordnung für den Studiengang Nanoscience and Nanotechnology mit dem Abschluss Master of Science der Universität Siegen vom 19. April 2017)

According to § 13 (2) of the examination regulations for the master program Nanoscience and Nanotechnology as of June, 6th 2023 (“Fachprüfungsordnung (FPO-M) für das Fach Nanoscience and Nanotechnology (NANO) im Masterstudium an der Universität Siegen vom 6. Juni 2023) the examination regulations as of April, 19th 2017 („Prüfungsordnung für den Studiengang Nanoscience and Nanotechnology mit dem Abschluss Master of Science der Universität Siegen vom 19. April 2017“) expire on **September, 30th 2024!**

There are two available options:

1. You decide to finish your studies as per the examination regulations 2017, provided it is feasible. In this case you have to finish all the modules until September, 30th 2024. **Any prolongation, also due to an illness, is excluded!**
2. You decide to apply for a transfer to the examination regulations as of June, 6th 2023 (“Fachprüfungsordnung (FPO-M) für das Fach Nanoscience and Nanotechnology (NANO) im Masterstudium an der Universität Siegen vom 6. Juni 2023”). In this case you have to apply to the examination board through the examination office for a transfer which is irreversible. The completed modules shall be recognized and booked in unisono according to the new examination regulations. All further questions regarding the recognition and transfer of credit points can be discussed with the examination office beforehand.
