Maynooth University

Following two centuries of internationally renowned scholarly activity on the Maynooth campus, the National University of Ireland Maynooth was established under the 1997 Universities Act as an autonomous member of the federal structure known as the National University of Ireland. We have approximately 12,000 full-time students and another 1,700 registered as part-time. Maynooth University has 34 academic departments, which are organized into three Faculties: Arts, Celtic Studies and Philosophy; Science and Engineering, and Social Sciences. Building on a tradition of scholarship and excellence in all aspects of its teaching and learning, and research activities, within the liberal arts and sciences tradition, Maynooth University is committed to being a first class research-led centre of learning and academic discovery. It is located on a historic and beautiful campus in Ireland's only university town 20km west of Dublin, and has recently undergone a major phase of expansion in research, teaching and service facilities.
