

Dear Your Excellency, Ambassador Peter Prügel,

The Organising Committee of the **8th University Scholars Leadership Symposium** at the United Nations, extends an invitation to the 10 Outstanding University Students in **Germany** to participate in this Global Leadership Program.

"I think Humanitarian Affairs UK has created such a wonderful platform for you to gather together to discuss leadership, to discuss your own actions, and to deal with humanitarian and development challenges that the world faces."

Mr. Haoliang Xu, Assistant Secretary General, United Nations New York

Humanitarian Affairs UK in collaboration with the United Nations Development Program, UN Office for the Co-ordination of Humanitarian Affairs, UN Inter-Agency for Youth Development and the Royal Thai Government will organise the **8th University Scholars Leadership Symposium (USLS) 2017** at United Nations, Bangkok in Thailand from **August 1 to 7, 2017**.

The theme of the Symposium is "**Building LIFE, Giving HOPE**". About 1,000 emerging world leaders from 350 leading Universities around the world will attend this Servant Leadership Symposium which focuses on developing young leaders to bring social change.

The USLS is a week-long Leadership Conference in Social Development for young leaders from all over the world. The purpose is to instil a sense of social responsibility as well as to cultivate the attributes of selfless giving among our emerging world leaders. The young participants will learn what it means to give back to the community and be challenged to respond to the needs of the marginalized with works of kindness and unconditional service. Delegates will have the opportunity to expand their professional network and understanding of world affairs. They will be motivated to use their knowledge and leadership skills to impact the communities in need.

Humanitarian Affairs UK is affiliated to United Nations Global Compact, World Association of Non-Governmental Organization, International Association for Voluntary Efforts and the World Alliance for Citizens Participation. More information on the program, speakers and fees of the Symposium can be obtained from www.universityscholars.org.uk or at the United Nations information portal : [UNITED NATIONS](#).
